About Us

Display Systems and Prints is a leading provider of high-quality visual communication products, specialising in custom display systems and large-format prints for retail, exhibitions, events, and corporate environments. With a commitment to precision, creativity, and client satisfaction, we help brands stand out and make lasting impressions.

Experience: Over a decade of industry expertise

Technology: State-of-the-art printing and fabrication facilities

Clientele: Trusted by top retail chains, marketing agencies, and global event organisers

Mission: To deliver innovative display and print solutions that bring your brand to life

Our Rental Services

We Make

Exhibition & Events Seamless

Preparations for any event can be hectic and stressful. Let us take the burden as we offer our full rnage of products and services from planning, packing, installation, dismantling, storage and maintenance

Storage & Maintenance

We provide warehousing for all your portable & modular systems, including marketing collateral such as brochures and giveaways. Additionally, we will check and maintain all your items before and after every event

Project Management

At every event, our project manager and his team of specialists will be there to manage the installation to your expectations. After the event, you can be assured that all collaterals will return to the warehouse and be prepared for the next event.

Logistic Management

Clients with multiple sets of backdrop for different type of exhibitions, roadshows and internal events. Our team will assist in the planning and coordinate all items necessary for the next event.
